# Chairman's VISION

SMT. SUMAN KANWAR CHAMPAWAT

THE UMMED SCHOOL is a space in which girls exercise their potential, make their voice heard, and access their first leadership opportunities. As a result of gender inequality in education, they are also denied the chance to develop skills that will help them to take charge in their homes, careers, communities and countries. We aim to provide girls safe and quality education so they may find their voices and learn to lead. We are empowering girls to get the education they need to transform their lives and secure their futures. This means working to ensure free and equal access to quality and safe education for all girls. We focus our efforts on equality, inclusion and diversity. Enhance commitment to 'Beti Bachao Beti Padhao'.

For pre-primary no examination. Assessment Report is on the basis of day-to-day assessment.

### Pre Primary

Winter : Monday to Saturday - 9:30 am to 2:30 pm

Saturday is a holiday for pre-primary classes, they have a five days school.
