HEAD GIRL

When I took admission in the school in grade VIII, I was an introvert and hesitant in conversing properly, but the friendly environment of the school has made me feel more confident and motivated. With the support of my teachers I was able to entangle with the students and was able to make unforgettable memories of life. As the head girl, I was given proper endeavour to speak up for the students. Reminiscing the day I was announced as the Head Girl of the school, that still makes me brood over the happiest thing that ever happened to me. It makes me delighted to moulded have been a student of such an esteemed institution where I grew, learnt and moulded myself in becoming what I am.

I would take an opportunity on behalf of the students of THE UMMED SCHOOL to thank Principal Ma'am and teachers.

#Proud to be called as an "UMMEDIAN"

“

HEAD BOY

It gives me immense pleasure to share my experience as the Head Boy of The Ummmed School. First of all, the best decision was taking admission in this institution. The environment, as a whole is just welcoming and friendly I never felt like going home and infact our whole batch, we enjoyed at every strand, the NCC training, academics, sports, extra curricular activities and what not, that too because of the encouragement and motivation by our teachers. Now it's a habit to give our best at anything we do. And the attachment we have with our teachers and principal ma'am is a dream come true. Well, there is so much more but in a nutshell.. It is truly a dream come true to be with such great teachers. At last, being a student of The Ummmed school has truly changed me in a positive way and I am proud to be a student of The Ummmed School.

NCC

To further enhance our students' development, we have partnered with the National Cadet Corps (NCC). Through NCC, our students gain invaluable skills like self-discipline, problem-solving, and leadership. Additionally, the NCC certificate adds significant value to their academic and career prospects.

माँ

मेरी पहली गुरु,
मेरी पहली मित्र और
मेरे जीवन का पहला अध्याय है माँ।
मेरे आँखों की रोशनी,
मेरे कानों की आवाज और
मेरे दिल की धड़कन है माँ।
माँ जीवन का सार है
माँ ही मेरा संसार है।

Lavya
(VIA)

मेरी प्यारी माँ (कविता)

हमारे हर मर्ज की दवा होती है माँ.....
कभी डाँटती है हमें, तो कभी गले लगा लेती है माँ.....
हमारी आँखों के आंसू, अपनी आँखों में समा लेती है माँ.....
अपने होठों की हँसी, हम पर लुटा देती है माँ.....
हमारी खुशियाँ मैं शामिल होकर, अपने गम भुला देती है माँ.....
जब भी कभी ठोकर लगे, तो हमें तुरंत याद आती है माँ.....

दुनिया की तपिश में, हमें आँचल की शीतल छाया देती है माँ.....
खुद चाहे कितनी थकी हो, हमें देखकर अपनी थकान भूल जाती है माँ.....
प्यार भरे हाथों से, हमेशा हमारी थकान मिटाती है माँ.....
बात जब भी हो लजीज खाने की, तो हमें याद आती है माँ.....
रिश्तों को खूबसूरती से निभाना सिखाती है माँ.....
लब्जों में जिसे बयॉ नहीं किया जा सके ऐसी होती है माँ.....
भगवान भी जिसकी ममता के आगे झुक जाते हैं।

जान से प्यारे

कुछ लोग हैं दुनिया में सबसे न्यारे जो होते हैं जान से प्यारे वे हैं दोस्त हमारे
जब घर को छोड़ कर आए तब सोचा अब अपनीबाते किसे बताएँ? फिर मिल गए कुछ ऐसे सहारे, जो बन गए जान से प्यारे हाँ नहीं हैं दोस्त हमारे
जब दूर होंगे तब एक दूसरे को याद करेंगे, काश! मिल जाए वो पल दोबारा रख से ये फरियाद करणे लेकिन ना लौटेंगे हम, ना लौटेगी वो यारी क्योंकि निकल चुके होंगे हम सब सीखने दुनिया वाही।
ऐ दोस्त ! कही भी चले जाओ, ये याद रखना तुझ पर तो हम हर खुशी हारे क्योकि तुम हो हमे जान से प्यारे,
धन्यवाद

किसान

किसान वो है जो एक बीज से पौधे बना देता है।
किसान कुछ पौधों से एक खेत बनाया करता है।।
अगर पिता रोटी कमाता है तो उस रोटी के लिए अनाज कमाता है किसान।
कभी भूखे पेट सोता है और कभी रात भर जागकर करता है रखवाली।
तब जाकर जलता है सबके घर में चूल्हा और नहीं रहता है किसी का पेट खाली।।
बॉर्डर पर तैनात रहने वाले जवान हृष्ट पुष्ट रहते हैं इसी किसान के कारण।
इस किसान को मिट्टी प्यारी है और मिट्टी का एक अनोखा पुत्र है किसान।
पैदा होता है मिट्टी के लिए, जीता मिट्टी में और मरने के बाद मिल जाता है मिट्टी में।
इतना महान है यह किसान की राष्ट्रपति भी कहते हैं जय जवान जय किसान।

MY CONSTITUTION

It was the time after Independence,
What saw that some rules we need?
Rules needed to govern the country,
That defines each and every deed.

For making our constitution,
The best of Indians had got up.
Soon in July, Nineteen Forty-Six,
The Constituent Assembly had set up.

In August, after Independence,
The Drafting Committee set at work.
They travelled to many countries,
To make a Draft Constitution first.

At last, in November Nineteen Forty-Nine,
Constitution was fully enacted and adopted.
It was signed by our President,
It was accepted as it opted.

On January Twenty-Six, Nineteen Fifty,
It was fully enforced by the way.
Everyone knows what day it is,
It celebrated as Republic Day.

ONLINE SAFETY

The Internet can be a great resource for getting information. But do you know it can be harmful at some points. While using internet we must also take care of our safety here are some guidelines to safe surfing:

Don't communicate with strangers online and never argue to meet in person, why would a person that you've never known be trying to meet you? Child predators often pretend to also be in 8th or 10th grade, and they also just broke up with their girlfriend or boyfriend they like the newest video game JUST as you do they know just what you're going through with your parents. It may seem harmless to talk with what you think is another teen online, but unless your parents approve protect YOUR Safety Online conversations are the easiest way for child predators to lure a child or young adult into meeting them.

Tell a parent or another adult if a stranger contacts you in a chat room or through email or text messaging. It's nice to feel the attention of a new friend, but it can never be a reason for you to share information with stranger. It's something your parents or teachers need to know.

Don't enter contest, join clubs or share personal information for any reason unless your mom or dad says it's OK. Personal information includes your name, address, age, phone number birthday, email address etc. A dangerous fusion doesn't always look dangerous do they? Being mature means making smart choices for yourself and make your parents aware of your activities. It doesn't mean you're a "little kid" and your parents have to hold your hand. Your parents allow you to trust you keep that trust and be safe! use the internet.

A TREE

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sweet flowing breast;

A tree that looks at God all day,
And lifts her leafy arms to pray;

A tree that may in Summer wear
A nest of robins in her hair;

Upon whose bosoms snow has lain;
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

Jagriti Gehlot

STETHOSCOPE

Little by little her small hands would
help her wear the coat
Little by little she'd adorn wit with a
toy stethoscope
Little one don't you worry when you
get old
We will provide you with everything
we own

Toy stethoscope you'll be real one
day
I'll wear you with pride one day
We'll have this world together one
day
Little by little we'll heal each some
soul one day

Hold on to my hand my little girl

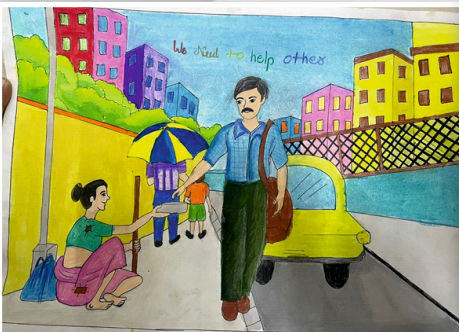

Don't leave my fingers till you grow up
The world is not what it seems to be
Evil resides in some people to see
Little one with hope in heart
Couldn't see the darkness from start
She would follow every step one at a time
As she was witnessing daylight in dark sight

Little by little the time passed
The little one grew up real smart
She made sure to be her parent's pride
She cleared every test in mean time
Saviour hands and soulful smile
Her stethoscope is real this time.

ALUMNI TESTIMONIALS

“

The school has offered me great opportunities, all the teachers and the administration put their best of efforts to bring out best from the child. It's all the untiring effort that the TUS family has grown my folds in such a short span of time. I am forever grateful to respected Principal ma'am and teachers for giving me the best class education and guiding me throughout. When I got a chance to become the Head Boy of the school, I witnessed the hard work put up by the teachers and management to arrange all the amenities and maintain discipline in the school.

Lastly I would like to thank my school for making me what I am today.
Proud to be called as an "UMMEDIAN"

Lokendra Bhati

”

“

My tenure at THE UMMED SCHOOL will always be the most valuable and precious memory that will be cherished forever. I was shaped, groomed and made competitive to face new challenges of life. Whatever good I have achieved so far, is because of the expert supervision and guidance of respected Principal Ma'am and teachers. # Proud to be called as an "THE UMMEDIAN"

Yukti Parihar

”

“

When I entered the school, I was an introvert child, under confident as I was unable to speak in English and didn't know how I would clear my Board Examinations. But thanks to the teachers and the management of the school for keeping me motivated. Not only was I able to speak confidently but also learned how to write properly and with the help of the teachers I was able to score well in my Board Examination. I would always be thankful for THE UMMED SCHOOL for shaping my future, and making me what I am today.

I thank Principal Ma'am and the teachers from the bottom of my heart
Proud to be called as an "UMMEDIAN"

“

As they say school is the temple of learning I believe that the Ummed school has been my even me immense temple of learning which has given me immense amount of knowledge and shown me correct path for my future endeavour. I joined the school in 2018 as a Grade 7 student, the best thing. I remember is the continuous support of all the teachers who never said No to any of my doubts and irrelevant questions, it really made me much stronger in my academics. Apart from academics TUS is the best place to build you as a wholesome person with all the extra-curricular activities and events. The school has offered me great opportunities, all the teachers and the administration put their best of efforts to bring out best from the child. It's all the untiring effort that the TUS family has grown my folds in such a short span of time. I am forever grateful to respected Principal ma'am and teachers for giving me the best class education.

Kiran Kanwar

”

“

Having been part of this esteemed institution from grade VII till passing my XII Grade in the year 2024 with flying colours, I can genuinely say that this has been a second home and a foundational pillar in my academic and personal development.

The dedicated faculty and the school's commitment to excellence have left an incredible impression on my journey.

I am grateful to the principal of my school for selecting me as the recipient of THE UMMED SCHORASHIP (2024)

The vibrant environment fostered a sense of community and belonging, making every student feel valued and supported.

One of the best experience that I had was being a part of The Girls Cricket Team in the school. For my great achievements in cricket and basketball, I am thankful to Mr Ashish Singh for his immense support and motivation throughout this journey.

I am proud to be an alumna of this esteemed institution I carry the values instilled here in every aspect of my life.

Wishing the management and staff continued success and prosperity

“Success is not final, failure is not fatal: it is the courage of continue that counts”

PARENT FEEDBACK

Blessed to find a wonderful school. Here teachers and Principal are very hardworking, dedicated and caring.

Avanikachhawa M/O Shanaya Kachhawa
Grade 2

I would like to like to thank all the teachers for the hard work support and struggle to better my child's learning. I am so pleased the education my daughter is receiving at the school, and she feels so safe and supported in the school. The best part about the school is the teacher's communication with parents is excellent.

Nikita Amarawat M/O Prasannakshi Amarawat

The Ummed school provides a supportive and engaging learning environment. The teachers are dedicated and genuinely care about their students' success, which has led to noticeable improvements in academic performance. The variety of extracurricular activities offered helps students explore their interests and develop important skills. Overall, the school fosters both educational growth and personal development, making it a great place for students to thrive.
